SUMMARY OF CHANGES & COMMON PROBLEM AREAS

NEW

A personal compensation deduction worksheet has been developed for proprietors and partners to calculate and support the compensation for personal services deduction allowed on proprietorship and partnership returns. The **PROP**-COMP worksheet (page 40) may be used by <u>proprietors</u> and retained for their records. The **PART**-COMP worksheet (page 54) may be used by <u>partners</u> and retained for their records.

E-FILE

Access e-file at www.revenue.nh.gov to make your Business Profits Tax, Business Enterprise Tax, Meals and Rentals Tax or Interest and Dividends Tax estimates, extensions, returns, and tax notice payments on-line.

NO EXTENSION OF TIME TO PAY TAX

An extension of time to file your return is <u>not</u> an extension of time to <u>pay</u> the tax due. An automatic 7 month extension of time to file your return will be granted, however, interest will be applied and penalties shall be assessed if 100% of the tax determined to be due has not been paid by the due date of the tax. If the calculation on your extension indicates no additional balance due, please do not file an Application for Extension.

Access e-file or use Form BT-EXT for Business Taxes if you need to make an additional payment in order to have paid 100% of the tax due by the original due date.

When you calculate the tax on your return during the extension period, if the tax balance due is greater than zero, then you did not pay 100% of the tax by the original due date and interest will be applied and penalties shall be assessed. Do not file a request for an extension if no money is due.

To request an abatement of any penalties that may be assessed, please attach a letter and any supporting documentation (e.g. work papers for said calculation, change of status, etc.) to the front of the return when filed. As long as 100% of the tax due has been paid by the original due date, you have an automatic 7 month extension of time to file the return.

Even if you have filed a Federal and/or State extension, it is not necessary to attach a copy to your return.

BT SUMMARY STEP 2 - QUESTIONS MUST BE ANSWERED

Failure to answer questions in STEP 2 of the BT-Summary may result in inquiries from the Department which MAY generate late filing penalties.

BUSINESS ENTERPRISE TAX FILING THRESHOLDS

The filing threshold for the Business Enterprise Tax is \$150,000 of gross business receipts from business activity everywhere or \$75,000 of the enterprise value tax base.

BUSINESS PROFITS TAX FILING THRESHOLDS

The filing threshold for Business Profits Tax is gross business income in excess of \$50,000 from business activity everywhere.

INTEREST RATES

Effective January 1, 2007 through December 31, 2007, the State of New Hampshire interest rates, applicable on taxes administered by the Department of Revenue Administration, will be 10% for underpayments and 7% for overpayments. Interest is calculated on the balance of the tax due from the original due date of the tax to the date the tax is paid.

PERIOD	INTEREST RATE FOR UNDERPAYMENT OF TAX	INTEREST RATE FOR OVERPAYMENT OF TAX
1/1/2007 - 12/31/2007	10%	7%
1/1/2006 - 12/31/2006	8%	5%

FEDERAL DEPRECIATION AND NEW HAMPSHIRE RECONCILIATION

President George W. Bush signed PL 107-147, the "Job Creation and Worker Assistance Act," also known as the Economic Stimulus package and PL 108-27, Jobs Growth Tax Relief Reconciliation Act of 2003. Under these laws, there was a change to federal business taxpayer filings for 2001- 2004 calendar year returns which included bonus depreciation of the cost of capital assets placed in service between September 10, 2001 and January 1, 2005 or January 1, 2006, for certain assets.

The New Hampshire Legislature has not changed the current business tax laws to conform with the federal tax law changes. The Internal Revenue Code (IRC) reference remains the Code in effect on December 31, 2000. Therefore, if these changes are used on your federal filing, business taxpayers must recalculate their New Hampshire gross business profits. Since, under current New Hampshire law, the bonus depreciation and the additional IRC Section 179 expense is not allowable, business taxpayers will have to adjust the taxable income reported on their federal return before reporting their gross business profits on their New Hampshire business tax return. The adjustment will require the removal of the federal depreciation and IRC Section 179 expense authorized under the "Job Creation and Worker Assistance Act" and only allow depreciation and IRC Section 179 expense as provided under the IRC in effect on December 31, 2000.

Schedule R has been provided in this booklet for each business entity type to assist businesses in recalculating their New Hampshire Gross Business Profits. The completed Schedule R must be filed with the corresponding New Hampshire Business Tax return.

BUSINESS TAX

Gen. Inst.

GENERAL INSTRUCTIONS FOR FILING BUSINESS TAXES

S-CORP FILERS	New Hampshire treats subchapter "S" corporations as if they were "C" corporations. All S-corporations are required to complete Form DP-120, Computation of "S" Corporation Gross Business Profits. Returns filed without a Form DP-120 will be incomplete and may be returned to the taxpayer. S-corporations who make actual distributions to New Hampshire resident shareholders are required to file Form DP-9, Small Business Corporation (S-Corp) Information Report separately from the return.
SINGLE MEMBER LIMITED	Single Member Limited Liability Companies (SMLLC) shall use Form DP-200 to apply for a New Hampshire Department of Revenue Administration assigned identification number. This form shall be filed at least 30 days prior to the filing of any other tax related document. SMLLC's are required by New Hampshire law to file a tax return even though the SMLLC does NOT file a separate federal tax return.
COMPANIES	ALL SMLLC's MUST USE A DEPARTMENT IDENTIFICATION NUMBER (DIN) WHEN FILING ANY AND ALL TAX RELATED DOCUMENTS. Only if the SMLLC does not have a federal employer identification number; shares a taxpayer identification number with another taxpayer subject to taxation; or is not required to obtain a federal employer identification number, social security number or an individual taxpayer identification number issued by the Internal Revenue Service. This form must be filed 30 days prior to filing any other tax related documents.
	Your DIN shall be used in place of the entity's federal employer identification number. When filing all future documents, the DIN shall be entered wherever federal employer identification numbers or social security numbers are required.
ESTIMATED BPT & BET PAYMENTS	Every entity required to file a Business Profits Tax (BPT) return and/or a Business Enterprise Tax (BET) return must also make quarterly estimated tax payments for each individual tax for its subsequent taxable period, unless the ANNUAL estimated tax for the subsequent taxable period for each tax individually is less than \$200. However, if at the end of any quarter the estimated tax for the year exceeds \$200, an estimated tax payment must be filed. The quarterly estimates are 25% of the estimated tax liability. See the instructions with the Estimated Business Profits Tax Form for exceptions and penalties for noncompliance.
DEPRECIA- TION AND RECONCILI-	President George W. Bush signed PL 107-147, the "Job Creation and Worker Assistance Act," also known as the Economic Stimulus package and PL 108-27, Jobs Growth Tax Relief Reconciliation Act of 2003. Under the law, there was a change to federal business taxpayer filings for 2001- 2004 calendar year returns which included bonus depreciations of the cost of capital assets placed in service between September 10, 2001 and January 1, 2005. (January 1, 2006, for certain assets).
ATION	The New Hampshire Legislature has not changed the current business tax law to conform with the federal tax law changes. The Internal Revenue Code (IRC) reference remains the Code in effect on December 31, 2000. Therefore, if these changes are used on your federal filing, business taxpayers must recalculate their New Hampshire gross business profits. Since, under current New Hampshire law, the bonus depreciation and the additional IRC Section 179 expense is not allowable, business taxpayers will have to adjust the taxable income reported on their federal return before reporting their gross business profits on their New Hampshire business tax return. The adjustment will require the removal of the federal depreciation and IRC Section 179 expense authorized under the "Job Creation and Worker Assistance Act" and only allow depreciation and IRC Section 179 expense as provided under the IRC in effect on December 31, 2000.
	Schedule R has been provided in this booklet for each business entity to assist in recalculating their New Hampshire Gross Business Profits. The completed Schedule R must be filed with the corresponding New Hampshire Business Tax return.
REFERENCES TO FEDERAL FORMS	All references to federal tax forms and form lines are based on draft forms available at the time the state forms were printed. If the federal line number and description do not match, follow the line description or contact the Department at (603) 271-2191.
ATTACH FEDERAL SCHEDULES/ FORMS	All Business Profits Tax returns must be accompanied by a complete and legible copy of the federal income tax return or other appropriate federal forms, consolidating schedules and supporting schedules. The corporate return must have the federal Form 1120, pages 1, 2, 3 and 4 and all schedules. Corporations may submit the consolidating and supporting schedules ONLY using a Compact Disc (CD) in a PDF or PDF compatible format. The proprietorship return must have federal schedules C, D, E, F, Form 4797 and Form 6252, if applicable. The partnership return must have the federal Form 1065, pages 1,2,3, and 4 and applicable schedules. The fiduciary return must have the federal Form 1041, pages 1, 2, 3 and 4, and applicable schedules. Failure to attach all federal schedules as required shall be deemed a failure to file a New Hampshire return and may subject the taxpayer to penalties.
CONFIDEN- TIAL INFORMA-	Disclosure of federal employer identification numbers and social security numbers is mandatory under New Hampshire Department of Revenue Administration rules 203.01, 221.02, 221.03. This information is required for the purpose of administering the tax laws of this state and authorized by 42 U.S.C.S. § 405 (c) (2) (C) (i).

NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION GENERAL INSTRUCTIONS FOR FILING BUSINESS TAXES FOR A COMBINED GROUP

Gen. Ins	st.
WHO MUST	Е

FILE A BET RETURN Every profit or non-profit enterprise engaged in or carrying on any business activity inside New Hampshire which meets the following criteria during the taxable period must file a Business Enterprise Tax return:

- A. If your gross business receipts total was in excess of \$150,000, then you are required to file a BET return, regardless of B, below.
- B. If your gross business receipts total was \$150,000 or less, use the following worksheet to determine if your enterprise value tax base is greater than \$75,000:

1	Total compensation paid or accrued:	1	\$
2	Total interest paid or accrued:	2	\$
3	Total dividends paid:	3	\$
1	Sum of Lines 1, 2 and 3:	4	\$

If Line 4 is greater than \$75,000, you are required to file a BET return.

C. Section 501(c)(3) of the IRC non-profit organizations are not required to file to the extent they do not engage in any unrelated business activity under Section 513 of the IRC.

WHO MUST FILE A BPT RETURN

The New Hampshire Business Profits Tax law requires the filing of a combined tax return by a water's edge combined group. The law provides that the tax liability must be determined by the "water's edge" method, a statutory term which is defined as the determination of "taxable business profits" for a group of business organizations conducting a unitary business by adding their "combined net income", the additions and deductions provided in RSA 77-A:4 for the members of the group, and apportioning the results as provided in RSA 77-A:3. " Combined net income" is also defined by statute and although its calculation would include all business organizations conducting the unitary business, the New Hampshire Water's Edge Group excludes "overseas business organization" for tax calculation purposes. An "overseas business organization" is defined in the law as a business organization with 80% or more of the average of their payroll and property assigned to a location outside the 50 states and the District of Columbia. All business organizations, including corporations, fiduciaries, partnerships, limited liability companies, proprietorships, combined groups, and homeowner's associations must file a Business Profits Tax return provided they are carrying on business activity inside New Hampshire and their gross business income from everywhere is in excess of \$50,000.

"Gross business income" means all income for federal income tax purposes from whatever source derived including: total sales, total rents, gross proceeds from the sale of assets, etc., before deducting any costs or expenses. Even if there is no profit, a return must be filed when the gross business income exceeds \$50,000.

A "combined group" means any business organization whose unitary business is conducted inside and outside New Hampshire through the use of more than one legal entity and who files a single New Hampshire tax return (or other document) to report the activity of the combined group. If you are unsure whether or not you are required to file using the combined return, please call (603)271-3400.

All business organizations conducting a unitary business must be included in the combined report unless they qualify as an overseas business organization, as defined by RSA 77-A:1 XIX, **and** are listed as such on the Form NH-1120-WE, page 2 (previously Form AU-20).

IDENTICAL FILING ENTITY

The return filed for the Business Enterprise Tax **MUST** reflect the identical business entity reported for Business Profits Tax purposes. There are separate booklets for corporate, combined group, partnership, proprietorship and fiduciary returns. Non-profit organizations and limited liability companies shall file using the form which corresponds to their entity structure. LLC's shall file using the same entity type as they use for their federal tax return. If a separate federal tax return was not required, then use the same entity type as the reporting member used.

SEPARATE FILING THRESH-OLDS

There are different filing criteria for the Business Enterprise Tax and the Business Profits Tax. You must determine whether or not you are required to file for each tax independent of your filing requirement for the other tax. For business organizations that file as part of a combined group for the Business Profits Tax, the filing requirement for the Business Enterprise Tax must be determined individually for each business enterprise inside that group. IF YOU ARE REQUIRED TO FILE <u>EITHER</u> TAX, THEN YOU MUST FILE A BUSINESS TAX SUMMARY. THE BUSINESS TAX SUMMARY VERIFIES AND UPDATES BOTH THE BUSINESS ENTERPRISE TAX AND/OR THE BUSINESS PROFITS TAX RETURNS. FAILURE TO FILE A BUSINESS TAX SUMMARY WILL CONSTITUTE AN INCOMPLETE FILING OF THE BUSINESS TAX RETURNS.

WHEN TO FILE

Calendar Year: If the business organization files its federal return on a calendar year basis, then the BET return and/or the BPT return are/is due and must be postmarked NO LATER than the date indicated on the BPT return.

Fiscal Year: If the business organization files its federal return on a fiscal year basis, then the business organization must file the BET return and/or the BPT return based on the same taxable period. The combined returns are due and must be postmarked NO LATER than the 15th day of the third month following the close of the fiscal year.

For Non-Profit Organizations: The returns are due and MUST be postmarked NO LATER than the 15th day of the fifth month following the close of the taxable period.

EXTENSION TO FILE

New Hampshire does not require a taxpayer to file an application for an automatic 7-month extension of time to file provided that the taxpayer has paid 100% of both the Business Enterprise Tax **and** the Business Profits Tax determined to be due by the due date of the tax.

If you need to make an additional payment in order to have paid 100% of the taxes determined to be due, then you may file your payment on-line at www.revenue.nh.gov or file a payment and application for 7 month extension of time to file a business tax return, Form BT-EXT. The payment must be postmarked or received on or before the original due date of the return. Failure to pay 100% of the taxes determined to be due by the original due date may result in the assessment of penalties.

NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION **BUSINESS TAX SUMMARY**

LINE-BY-LINE INSTRUCTIONS

STEP 1 Name. Address, Social Security or Federal Employer Identification Number

At the top of the return enter the beginning and ending dates of the taxable period if different from the calendar year.

Please PRINT the taxpayer's name, address, Social Security Number (SSN), Federal Employer Identification Number (FEIN), or Department Identification Number (DIN) and principal business activity code in the spaces provided. If you have received a booklet of tax forms that are preprinted, please use that form.

Enter spouse's name and SSN in the spaces provided for separate proprietorship only. Social Security Numbers are required pursuant to the authority granted by 42 U.S.C.S., Section 405. Wherever SSN's or FEIN's are required, taxpayers who have been issued a DIN, shall use their DIN only, and not SSN or FEIN.

STEP 2 Return Type and **Federal** Information

Check the Yes or No box to indicate if you are required to file a Business Enterprise Tax (BET) Return. Enterprises with more than \$150,000 of gross business receipts from all their activities or an enterprise value tax base of more than \$75,000 are required to file a BET Return with this Business Tax Summary Form. The BET is a 0.75% tax assessed on the enterprise value tax base, after special adjustments and apportionments, the BET is the sum of all compensation paid or accrued, interest paid or accrued, and dividends paid by the business enterprise.

Check the Yes or No box to indicate if you are required to file a Business Profits Tax (BPT) Return. Businesses carrying on business activity within NH are subject to BPT unless they have less than \$50,000 of gross receipts from all their activities. The BPT is an 8.5% tax assessed on income from conducting business activity within NH.

Check the entity type which corresponds to your organizational structure. In the case of a Single Member LLC, check the organization structure that corresponds to the federal return used to report the income and deductions to the IRS.

Check the AMENDED RETURN box if this is the second (or additional) Business Tax Summary that has been filed for any ONE tax period. Check the FINAL RETURN box only when the business organization has ceased to exist or no longer has business activity in New Hampshire.

Check the box if the IRS has made adjustments to your federal income tax return that have not been previously reported to New Hampshire. Enter the taxable periods examined by the IRS on the line provided. To report IRS adjustments you must submit the Report of Change (ROC) form under separate cover. These and other forms are available on our web site at www.revenue.nh.gov or call (603) 271-2192.

IMPORTANT - NOL DEDUCTIONS

Carryforward	A New Hampshire Net Operating Loss may be carried forward for 5 or 10 taxable periods following the loss year provided, however, that no loss amounts incurred prior to January 1, 1989 shall be used to calculate the NOL deduction.					
Carryback for taxable periods ending before July 1, 2005	 For losses incurred for taxable periods ending before July 1, 2005, the following applies: Any loss amount shall first be carried back to those taxable periods required by the Internal Revenue Code without application of the election in Section 172(b) (3) and applied to any income in the carryback tax periods, before any remaining loss is carried forward as a net operating loss deduction. The carryback of losses as provided in (1) above shall result in neither an allowable net operating loss deduction in the carryback taxable periods nor a refund of previously paid taxes. Amended returns filed for such purposes shall be prohibited. The business organization's failure to carryback net operating losses and apply them to the income of prior profitable 					
	taxable periods shall result in the loss being presumed to be fully absorbed in the carryback taxable periods. A law change which was effective for taxable periods ending on or after July 1, 2005 removed the regulations requiring					
	carryback.					
Apportionment	The Net Operating Loss carryforward shall be apportioned pursuant to RSA 77-A:3, RSA 77-A:4, Rev 303.03 and Rev 304.

### **Who Must Pay Estimated Tax**

Every entity required to file a Business Profits and/or Business Enterprise Tax return must also make estimated tax payments, for each individual tax, for its subsequent taxable period; unless the annual estimated tax for the subsequent taxable period, for each individual tax, is less than \$200. However, quarterly payments are required to be made whenever your annual estimated tax for the subsequent taxable period equals or exceeds \$200 for either tax. (See paragraph 6 for exceptions).

### Where to Make **Payments**

Make estimated tax payments on line at www.revenue.nh.gov or mail estimated tax payments

NH DEPT OF REVENUE ADMINISTRATION DOCUMENT PROCESSING DIVISION **PO BOX 637** CONCORD NH 03302-0637

### When to Make **Payments**

#### CALENDAR YEAR FILERS:

1st quarterly payment due April 17, 2007 2nd quarterly payment due June 15, 2007 3rd quarterly payment due September 17, 2007 4th quarterly payment due December 17, 2007

FISCAL YEAR FILERS MUST ENTER THE TAX YEAR ON EACH ESTIMATE FORM.

### Payment of **Estimated Tax**

Estimated tax may be paid in full with the initial declaration or in installments on the due dates.

You may make all four estimate payments at one time over the Internet. Specify each date you want a payment to be made from your account and each payment will be withdrawn on the date you specified.

### Underpayment **Penalty**

A penalty may be imposed by law (RSA 21-J:32) for an underpayment of estimated taxes if the payments are less than 90% of that period's tax liability. If estimate payments are not made on time, even if 90% of the tax is eventually paid, an underpayment penalty may be applied. If an estimated payment is missed, send the payment as soon as possible to reduce any penalty.

This penalty will not be imposed if any of the statutory exceptions apply. See Form DP-2210/2220.

### **Exceptions to the Underpayment Penalty**

The penalty shall not apply if you meet one of the exceptions provided in the law (RSA 21-J:32). Please use Form DP 2210/2220 to see if you meet one of the exceptions or to compute the amount of the penalty.

1 Who Must Pay Estimated Tax

Every partnership required to file a Business Profits and/or Business Enterprise Tax return must also make estimated tax payments, for each individual tax, for its subsequent taxable period; unless the annual estimated tax for the subsequent taxable period, for each individual tax, is less than \$200. However, quarterly payments are required to be made whenever your **annual** estimated tax for the subsequent taxable period equals or exceeds \$200 for either tax (see paragraph 6 for exception).

2 Where to Make Payments

Make estimated tax payments on-line at www.revenue.nh.gov or mail estimated tax payments to:

NH DEPT REVENUE ADMINISTRATION DOCUMENT PROCESSING DIVISION PO BOX 637 CONCORD, NH 03302-0637

3 When to Make Payments

CALENDAR YEAR FILERS:

1st quarterly payment due April 17, 2007 2nd quarterly payment due June 15, 2007 3rd quarterly payment due September 17, 2007 4th quarterly payment due December 17, 2007

FISCAL YEAR FILERS:

A quarterly payment is due on or before the 15th day of the 4th, 6th, 9th and 12th months of the taxable period to which they relate.

FISCAL YEAR FILERS MUST ENTER THE TAX YEAR ON EACH ESTIMATE FORM.

4 Payment of Estimated Tax

Estimated tax may be paid in full with the initial declaration or in installments on the due dates.

You may make all four estimate payments at one time over the Internet. Specify each date you want a payment to be made from your account and each payment will be withdrawn on the date you specified.

5 Underpayment Penalty

A penalty may be imposed by law (RSA 21-J:32) for an underpayment of estimated taxes if the payments are less than 90% of that period's tax liability. If estimate payments are not made on time, even if 90% of the tax is eventually paid, an underpayment penalty may be applied. If an estimated payment is missed, send the payment as soon as possible to reduce any penalty.

This penalty will not be imposed if any of the statutory exceptions apply. See Form DP-2210/2220.

6 Exceptions to the Underpayment Penalty

The penalty shall not apply if you meet one of the exceptions provided in the law (RSA 21-J:32). Please use form DP-2210/2220 to see if you meet one of the exceptions or to compute the amount of the penalty.

1 Who Must Pay Estimated Tax

Every entity required to file a Business Profits and/or Business Enterprise Tax return must also make estimated tax payments, for each individual tax, for its subsequent taxable period; unless the annual estimated tax for the subsequent taxable period, for each individual tax is less than \$200. However, quarterly payments are required to be made whenever your **annual** estimated tax for the subsequent taxable period equals or exceeds \$200 for either tax.

(See paragraph 6 for exceptions).

2 Where to Make Payments

Make estimate tax payments on-line at www.revenue.nh.gov or mail estimated tax payments to:

NH DEPT OF REVENUE ADMINISTRATION DOCUMENT PROCESSING DIVISION PO BOX 637 CONCORD NH 03302-0637

When to Make Payments

CALENDAR YEAR FILERS:

1st quarterly payment due April 17, 2007 2nd quarterly payment due June 15, 2007 3rd quarterly payment due September 17, 2007 4th quarterly payment due December 17, 2007

FISCAL YEAR FILERS:

A quarterly payment is due on or before the 15th day of the 4th, 6th, 9th, and 12th months of the taxable period to which they relate.

FISCAL YEAR FILERS MUST ENTER THE TAX YEAR ON EACH ESTIMATE FORM.

4 Payment of Estimated Tax

Estimated tax may be paid in full with the initial declaration or in installments on the due dates.

You may make all four estimate payments at one time over the Internet. Specify each date you want a payment to be made from your account and each payment will be withdrawn on the date you specified.

5 Underpayment Penalty

A penalty may be imposed by law (RSA 21-J:32) for an underpayment of estimated taxes if the payments are less than 90% of that period's tax liability. If estimate payments are not made on time, even if 90% of the tax is eventually paid, an underpayment penalty may be applied. If an estimated payment is missed, send the payment as soon as possible to reduce any penalty.

This penalty will not be imposed if any of the statutory exceptions apply. See Form DP-2210/2220.

6 Exceptions to the Underpayment Penalty

The penalty shall not apply if you meet one of the exceptions provided in the law (RSA 21-J:32). Please use Form DP-2210/2220 to see if you meet one of the exceptions or to compute the amount of the penalty. To obtain this form visit our web site or call the forms line at (603) 271-2192.

NOTE: If an asset had both bonus depreciation and Section 179 deductions taken during any taxable period, only include the amount of depreciation once for that asset. • Add the amounts determined above together and enter the total on Line 2(c).

LINE 4(a)	For all members of the combined group, using the line on Federal Form 1120, 1120-A or 1120-S or their supporting schedules that pertains to the current taxable period Net Gain (Loss) from Form 4797, enter the amount that pertains to sales of business assets on which additional IRC Section 179 deductions were reported in any taxable period and/or for which bonus depreciation was reported in any taxable period.

Enter the amount on Line 4(c). The New Hampshire basis is the original cost to acquire the asset plus the cost of any improvements reduced by the amount of IRC Section 179 and depreciation expenses allowed by New Hampshire under the Business Profits Tax. The IRC Section 179 and depreciation expenses are determined using the IRC in effect on December 31, 2000. Refer to the instructions for Lines 3(a) and 3(b) to calculate the amount of allowable IRC Section 179 expense and depreciation.			
LINE 4(d)	Subtract the amount entered on Line 4(c) from the amount entered on Line 4(b) and enter that amount on Line 4(d).			
LINE 5	Add the amount on Lines 2(e) to the amount on Line 1 then subtract the total amount of Line 3(d) from the previous subtotal. Adjust this subtotal by the amounts on Line 4(a) and Line 4(d). STEP 3 Figure Your Taxes

BONUS DEPRECIATION: Check box and complete the Combined Schedule R.

Line 1 NEW HAMPSHIRE COMBINED NET INCOME

- (a) Enter Combined Net Income from NH-1120-WE, Schedule I, Line 9. If you checked the bonus depreciation box, Line 5 of the Corporate Schedule R is entered here.
- (b) Enter the amounts, which arise from the necessity of adjusting gross business profits to accommodate the New Hampshire requirement of separate entity treatment for business organizations. Examples are a New Hampshire partner's share of partnership activities reported on the partner's federal return (Rev 302.02) or adjustments required under IRC Section 857(b) (2) for real estate investment trusts and IRC Section 852(b)(2) for regulated investment companies or adjustments for the reversal of the use of Federal consolidating provisions relating to the calculation of Capital Gain (loss) and the Charitable Contribution Limitation. Attach a supporting schedule detailing the amount and type of adjustment(s). Enter any passive activity loss disallowed federally under IRC Section 469. Also enter any amount used to adjust the reported gain or loss on sale of assets which is attributable to an accumulated passive loss. If the total of this adjustment is a negative amount, then show in parenthesis, e.g. (\$50).
- (c) Enter the amount of Line 1(a) adjusted by Line 1(b). If negative, show in parenthesis, e.g. (\$50). If Line 1(c) shows a loss AND there are two or more New Hampshire nexus members in the combined group, then the New Hampshire net operating loss (NOL) carryforward available for future deduction must be allocated amongst the members of the combined group in accordance with Administrative Rule Rev 303.03. Form DP-131-WE, which provides the allocation format, is no longer required to be filed with the return. However, the carryback and carryforward provisions of RSA 77-A:4, XIII, as well as the allocation and apportionment provisions of Rev 303.03, still apply. (The loss must be reported on Form DP-132-WE, Combined Net Operating Loss (NOL) Deduction, for the year in which the deduction is claimed).

If Line 1(c) shows a loss AND there is only one New Hampshire nexus member of the combined group (and the combined group did not change during the 3 carryback years), then no allocation of the loss is required. However, the carryback and the carryforward provisions of RSA 77-A:4, XIII still apply.

Administrative Rules and Statutes for the Business Enterprise Tax and the Business Profits Tax as well as NOL provisions are available on our web site at www.revenue.nh.gov, within the laws and rules section. If you have specific questions concerning net operating loss provisions for combined filers please contact the New Hampshire Department of Revenue Administration, Audit Division, 45 Chenell Drive, PO Box 457, Concord, NH 03302-0457, telephone (603) 271-2191. Individuals with hearing or speech impairments may call TDD Access Relay NH 1-800-735-2964.

- (d) Foreign Dividends [RSA 77-A:3, II(b)] that are from overseas business organization payors must be included in Line 1(a) above in order to be deducted here. This amount must equal the total of column B on Schedule III. Failure to complete page 2 of the return and Schedules II and III could result in the inclusion of dividend income without factor relief or worldwide combination.
- (e) Line 1(c) adjusted by Line 1(d). Show negative amount in parenthesis, e.g. (\$50).

Line 2 ADDITIONS AND DEDUCTIONS

- (a) Enter the total New Hampshire Business Profits Tax and any income tax, franchise tax measured by net income or capital stock tax assessed by any state or political subdivision that was deducted on this year's federal return. Do not include the New Hampshire Business Enterprise Tax liability in this amount. Attach a schedule of taxes by state.
- (b) Enter the amount of carryover loss available as shown on Line 12 of Form DP-132-WE. Form DP-132-WE must be attached to the return. Refer to the instructions on the reverse side of Form DP-132-WE for the NOL carryover restrictions and allocation provisions.
- (c) Enter the amount of gross business profits as is attributable to income derived from non-taxable interest on notes, bonds or other direct securities of the United States government.
- (d) Enter the amount of the jobs credit [IRC Section 280C(a)] deducted on this year's federal return.
- (e) Enter the amount of gross business profits that is attributable to foreign dividend gross-up as determined in accordance with IRC Section 78.
- In the case of a business organization which makes qualified research contributions as defined in RSA 77-A:1, X, the gross business profits shall be adjusted by: (a) adding to gross business profits the amount deducted under IRC Section 170 in arriving at federal taxable income; and (b) deducting from gross business profits an amount equal to the sum of the taxpayer's basis in the contributed property plus 50 percent of the unrealized appreciation, or twice the basis of the property, whichever is less.
- (g) Enter an addition equal to any return of capital previously taken as a deduction pursuant to RSA 77-A:4, XVII as a capital contribution to a Qualifying Investment Capital Company if such return of capital is received within 3 taxable periods after the taxable period in which it was deducted. Attach a schedule listing name, FEIN and the amount paid.
- (h) Enter the total of Lines 2(a) through 2(g) on Line 2(h), showing negative amounts in parenthesis, e.g. (\$50).

NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION INTEREST AND DIVIDENDS TAX RETURN GENERAL INSTRUCTIONS

Instruc	tions GENERAL INSTRUCTIONS
Com- mon Errors	The following is a list of the most common mistakes made by taxpayers when filing a New Hampshire Interest and Dividends Tax return. These, along with other errors, may cause the return to be considered an "incomplete return" which may result in the assessment of interest and penalties. To ensure that you have filed a complete return, carefully follow the general and line-by-line instructions and be sure you have done the following: Have you signed and dated the return in blue or black ink? (Rev 2904.04)
	If this is a joint return, has your spouse included his/her social security number, signed and dated the return in blue or black ink?
	If there is a balance due of \$1.00 or greater, have you enclosed a check for the total amount due?
	Did you make the check payable to the State of New Hampshire?
	Is the written amount on the check the same as the numeric amount?
	Have you signed and dated the check?
	Have you enclosed both pages of Form DP-10?
	Did you mistakenly send a payment in the amount of your credit or refund? If you would like to make an additional payment please use Form DP-10-ES
	INDIVIDUALS: Individuals who are residents or inhabitants of New Hampshire for any part of the tax year must file providing they
Who Must File A	received more than \$2,400 of gross taxable interest and/or dividend income for a single individual or \$4,800 of such income for a married couple filing a joint New Hampshire return. (Part-year residents see below.)
Re- turn	To determine whether a return must be filed, you should complete Page 2, Lines 1 - 7. If the amount on Line 7 is \$0 or less you are not required to file an Interest and Dividends Tax Return.
	PARTNERSHIPS, LLC's, ASSOCIATIONS, TRUSTS AND FIDUCIARIES: Please see separate tables in this booklet regarding "WHO" and "WHAT" is taxable. LLC's filing as Corporations are required to file an Interest and Dividend Tax Return.
Joint Filers	To ensure your payments are credited to your account, the sequence of names and social security numbers must be consistent on all Interest and Dividends Tax estimates, extensions and returns.
Part Year Resi- dent	For New Hampshire Interest & Dividends Tax purposes, a "part year resident" is someone who has permanently established residency in New Hampshire during the year or who has permanently abandoned residency in New Hampshire during the year. If you established residency after January 1st of this tax period check the "Initial Return" box and enter the date of residency in Step 2. If you abandoned residency during the year, check the "Final Return" box and enter the date in Step 2. A temporary absence for any length of time does not change your state of residency. If you are unsure whether you are a resident of New Hampshire, please call the Central Taxpayer Services (603) 271-2191, Monday through Friday, 8:00 a.m. to 4:30 p.m. Only the interest and dividend income earned during that portion of the year for which they were a New Hampshire resident is taxable. Part-year residents are entitled to the full \$2,400 exemption (or \$4,800 for joint fillers) and the full amount for the exemptions shown on Line 9 of the return. Part-year residents must file a return if, during the entire year, their adjusted taxable income was over \$2,400 (or over \$4,800 for joint fillers).
When To File	Calendar Year: If your return is based on a calendar year, it must be postmarked on or before April 15th, unless the 15th is a weekend or a recognized State holiday, it will be due on the next business day. Fiscal Year: If your return is based on a taxable period other than a calendar year, it must be postmarked on or before the 15th day of the fourth month following the end of your taxable period.
Where To File	MAIL NH DEPT OF REVENUE ADMINISTRATION TO: DOCUMENT PROCESSING DIVISION PO BOX 2072 CONCORD NH 03302-2072 FACSIMILE DOCUMENTS ARE NOT ACCEPTED
Exten- sion	New Hampshire does not require taxpayers to file an application for an automatic 7-month extension of time to file provided that the taxpayer has paid 100% of the Interest and Dividends Tax determined to be due by the due date of the tax.
To File	If you need to make an additional payment, you may file a Form DP-59-A along with the payment or e-file your payment on-line at www.revenue.nh.gov . This application and payment must be postmarked on or before the due date of the tax. Failure to pay 100% of the tax due by the original due date will result in the assessment of interest and may result in the assessment of penalties. You are not required to attach a copy of your federal extension to your return.
Confidential Information	Tax information which is disclosed to the New Hampshire Department of Revenue Administration is held in strict confidence by law. The information may be disclosed to the United States Internal Revenue Service, agencies responsible for the administration of taxes in other states in accordance with compacts for the exchange of information, and as otherwise authorized by New Hampshire RSA 21-J:14.
Social Secu- rity Num- bers	Disclosure of social security numbers is mandatory under Department of Revenue Administration rule Rev 2903.02. This information is required for the purpose of administering the tax laws of this state and authorized by 42 U.S.C.S. § 405 (c)(2)(C)(i). The failure to provide social security numbers may result in a rejection of a return or application. The failure to timely file a return or application complete with social security numbers may result in the imposition of civil or criminal penalties, the disallowance of claimed exemptions, exclusions, credits, deductions or adjustments that may result in increased tax liability.
Amended Re- turns	If you discover an error was made on your return after it has been filed, an amended New Hampshire return should be promptly filed by completing a corrected Form DP-10 and by checking the "AMENDED" box in Step 2 on the return. New Hampshire does not have a separate form for amended returns.
Round- ing	Money items on all Interest and Dividends Tax forms may be rounded off to the nearest whole dollar.
Report Of Change	To report a change to your Interest and Dividends Tax Return for years 1994 to present, (which resulted from a federal audit) file a separate report of change, Form ROC-DP-10, for each year. To report a change for taxable periods prior to 1994 contact the Department for the appropriate forms and instructions. To file a report of change on an Interest and Dividends Tax return, you will need to use the federal adjustment and a copy of your return as originally filed or previously adjusted. When filing the completed ROC-DP-10, you must sign in ink and include the IRS form reporting the change. Follow the line by line instructions when filling out the report of change. An incomplete ROC will not be accepted.
Need Forms	To obtain additional forms or forms not contained in this booklet, you may visit our web site at www.revenue.nh.gov or call (603) 271-2192. Copies of the state tax forms may also be obtained from any of the 22 Depository Libraries located throughout the State. (Call Central Taxpayer Services at (603) 271-2191 for a list of Depository Libraries.)

List on Line 2 any taxable annuities or the actual cash or property distributions you received or constructively received from "S" corporations, partnerships with transferable shares, trusts or estates with transferable shares, or the return of capital from qualified investment capital companies formed prior to 5/24/04, when the investment is returned within three years of the original deduction. REASON	
CODE	REASON
	Direct US government obligations.
	New Hampshire municipal bond.
3	Long or short term capital gains included in Line 3.
	Individual retirement account/Keogh plans/other exempt retirement plans.
	Liquidating distributions.
6	100% of K-1 interest or dividend income from a partnership/trust with non-transferable shares which is subject to I&D tax.
7	A portion of interest or dividend income from a partnership/trust with non-transferable shares which is not subject to I&D tax.
8	Allocation to non-New Hampshire residents
9	Specifically exempted Puerto Rico, Guam and Virgin Island bonds.
10	Distributive share of the entity's interest or dividend income indicated on Schedule K-1 and included in the partner, beneficiary
	or shareholder's federal income tax return.
11	Return of capital.

REASON CODE 7 CALCULATION: Example: a resident/inhabitant receives a \$5,000 distribution from a partnership that has no usual place of business in New Hampshire and the Partnership has non-transferrable shares or from a fiduciary that is not a New Hampshire trust and the Fiduciary has non-transferrable shares.

The partnership or fiduciary's total gross income is \$100,000 and its interest and dividend income is \$10,000.

The amount of the distribution that is non-taxable to the resident is \$4,500; \$100,000 - \$10,000 = \$90,000/\$100,000 x \$5,000.

Line 4(d) PART-YEAR RESIDENT NON-TAXABLE PRO RATA SHARE: A part-year resident who established or abandoned residency during the year. Part-year residents may prorate interest and dividends income. Individuals filing as part-year residents may deduct the amount of taxable income earned while not a resident of New Hampshire. To determine the annual taxable income for the prorata share calculation, subtract Line 4(c), the subtotal of non-taxable income from Line 3, then apply the following calculation to that figure to determine the amount to enter on Line 4(d), part-year resident prorata share.

Enter the total of Line 4(c) plus Line 4(d) on Line 4. Annual taxable income x number of days a Non-New Hampshire Resident

365 days of the year

ESTIMATED INTEREST AND DIVIDENDS TAX QUARTERLY PAYMENT FORMS

TO MAKE YOUR ESTIMATE PAYMENT ON-LINE ACCESS E-FILE AT www.revenue.nh.gov

1 Who Must Pay Estimated Tax

Every individual, partnership, association, trust or fiduciary required to file an Interest and Dividends Tax Return must also make Estimated Interest & Dividends Tax payments for its subsequent taxable period, unless the annual estimated tax for the subsequent taxable period is less than \$500. However, quarterly payments are required to be made whenever your **annual** estimated tax for the subsequent taxable period equals or exceeds \$500. (See paragraph 6 for exceptions).

2 Where to Make Payments

Make estimate tax payments on-line at www.revenue.nh.gov or mail estimate tax payments to:

NH DEPT OF REVENUE ADMINISTRATION DOCUMENT PROCESSING DIVISION PO BOX 2072 CONCORD NH 03302-2072

3 When to Make Payments

CALENDAR YEAR FILERS:

1st quarterly payment due April 17, 2007 2nd quarterly payment due June 15, 2007 3rd quarterly payment due September 17, 2007 4th quarterly payment is due January 15, 2008

FISCAL YEAR FILERS:

A quarterly payment is due on or before the 15th day of the 4th, 6th, 9th and 12th months of the taxable period to which they relate.

4 Payment of Estimated Tax

Estimated tax may be paid in full with the initial declaration or in installments on the due dates.

You may make all four estimate payments at one time over the Internet. Specify each date you want a payment to be made from your account and each payment will be withdrawn on the date you specified.

5 Underpayment Penalty

A penalty may be imposed by law (RSA 21-J:32) for an underpayment of estimated taxes if the payments are less than 90% of that period's tax liability. If estimate payments are not made on time, even if 90% of the tax is eventually paid, an underpayment penalty may be applied. If an estimated payment is missed, send the payment as soon as possible to reduce any penalty.

This penalty will not be imposed if any of the statutory exceptions apply per quarter.

6 Exceptions to the Underpayment Penalty

The penalty shall not apply if you meet one of the exceptions provided in the law (RSA 21-J:32). Please use form DP 2210/2220 to see if you meet one of the exceptions or to compute the amount of the penalty.

	PART I - FIGURE YOUR UNDERPAYMENT		
LINE 3(a)	For Interest and Dividends calendar year filers, fourth quarter estimates are due January 16, 2007.		
LINE 3(c)	Enter in Columns A through D the amount of Line 2 multiplied by Line 3(b).		
LINE 4	Enter only the estimated amounts paid timely. Any amounts paid after the specified date [Line 3(a)] should be entered in the nequarter.		
LINE 5	Enter any overpayment computed on Line 7 for the previous period. For example, Line 5 Column B will correspond to Line 7 column A.		
LINE 8	If Line 8 shows an underpayment, and you do not meet an exception for that quarter, then you must compute the penalty. If there is no underpayment in Columns A through D, you need not complete the remainder of this form.		
	PART II - EXCEPTIONS TO PENALTY		
LINE 9	For Interest and Dividends calendar year filers, fourth quarter estimates are due January 16, 2007.		
LINE 11	Exception pursuant to RSA 21-J:32, IV(a) - Prior period's tax. The prior year must have been a full twelve months and there must have been a tax liability. Multiply the annual tax paid in the previous year by the percentage shown in the boxes on Line 10, Columns A through D to calculate the exception amounts. If the amounts shown on Line 9, Columns A through D are greater than or equal to Line 11 corresponding columns A through D, you qualify for exception (a). Do not complete Part III for any column in which you qualify for exception (a).		
LINE 13	Exception pursuant to RSA 21-J:32, IV(b) - Prior year's tax base and facts using current period tax rate. Multiply your prior year taxable base by the current tax rate to arrive at an adjusted tax. Multiply the adjusted tax by the percentage shown in the boxes on Line 12, Columns A through D to calculate the exception amounts. If the amounts shown on Line 9 Columns A through D are greater than or equal to Line 13 corresponding Columns A through D, you qualify for exception (b). Do not complete Part III for any column in which you qualify for exception (b).		
LINE 15	Exception pursuant to RSA 21-J:32, IV(c) - Annualized Income. This exception may be applicable to taxpayers experiencing periodic fluctuations in income. This exception applies if the estimated tax paid was 90% or more of the amount the taxpayer would owe if its estimated tax was figured on an annualized basis for the months preceding an installment date.		
	A taxpayer may annualize its income as follows:		
	(a) For the first 3 months, if the installment was required to be paid in the 4th month.		
	(b) For the first 3 months or the first 5 months, if the installment was required to be paid in the 6th month.		
	(c) For the first 6 months or for the first 8 months, if the installment was required to be paid in the 9th month.		
	(d) For the first 9 months or for the first 11 months, if the installment was required to be paid in the 12th month.		
	To annualize, divide the taxable base for the period by the number of months in the period (3,5,6,8,9, or 11, as the case may be) then multiply the result by 12. Multiply the result by the current year's tax rate. Multiply the result of the preceding calculation by the percentage shown in the boxes on Line 14, Columns A through D to calculate the exception amount. Do not complete Part III for any column in which you qualify for exception pursuant to RSA 21-J:32, IV(c).		
	If you qualify for the exception, pursuant to RSA 21-J:32, IV(c), you must attach a schedule to this form showing the annualized income computations.		
	PART III - COMPUTE THE PENALTY		
LINES 16 & 22	Complete Lines 16 through 21 for each quarter for which there was an underpayment of estimated tax and no exception to the penalty was met. For the number of days indicated on Line 18, determine the number of days from installment due date to 12/31/06 and after 12/31/06. Include the amounts in the calculation shown on Lines 19 and 20.		
	NOTE: The interest rate is recomputed each year under the provisions of RSA 21-J:28, II. Applicable rates are as follows (contact the department for applicable rates for any other years):		
	PERIOD RATE DAILY RATE DECIMAL EQUIVALENT 1/1/2007 - 12/31/2007 10% .000274 CALCULATION: 1/1/2006 - 12/31/2006 8% .000219 Tax Due X number of days from the 1/1/2005 - 12/31/2005 6% .000164 installment due date to the date on Line 17 1/1/2004 - 12/31/2003 8% .000219 X Daily Rate Decimal Equivalent. The sum of days allocated between Lines 19 and .000219
